POWDER FORM

Packaging: 1,5 & 10kg
MOQ: 1kg

PACKING LIST

LIQUID FORM

Packaging: 5, 10 & 25kg
MOQ: 5kg

RESVINIA®

Cosmetic range

Main active molecules: Resveratrol & *epsilon*-Viniferin

Extracted from: French vine shoots

Applications: Haircare - Prevention of hair loss & stimulation of hair growth
100% from natural origin

Resveratrol & *epsilon*-Viniferin > 2%
Advised dose: 1 - 5%

○ **Natural RESVINIA® 2% Sol.**

INCI Name: Butylene glycol and water and *vitis vinifera* (grape) vine extract

COSMOS
APPROVED

RESVERATROX[®]

Cosmetic range

Main active molecules: Resveratrol monomers & oligomers

Extracted from: French vine shoots

Applications: Skin care - Healthy aging & anti-pollution

100% from natural origin

Resveratrol derivatives > 10%
Advised dose: 0.2 - 1%

- **Natural RESVERATROX[®]**
INCI Name: Inulin and *vitis vinifera* (grape) vine extract

Resveratrol derivatives > 2%
Advised dose: 1 - 5%

- **Natural RESVERATROX[®] 2% Sol.**
INCI Name: Butylene glycol and water and *vitis vinifera* (grape) vine extract
- **Natural RESVERATROX[®] 2% Sol. (Propanediol)**
INCI Name: Propanediol and water and *vitis vinifera* (grape) vine extract
- **Natural de-colored RESVERATROX[®] 2% Sol. (Propanediol)**
INCI Name: Propanediol and water and *vitis vinifera* (grape) vine extract

Resveratrol derivatives > 1%
Advised dose: 1 - 5%

- **Natural de-colored RESVERATROX[®] 1% Sol. (Glycerin)**
INCI Name: Glycerin and water and *vitis vinifera* (grape) vine extract

VITISIN[®]

Cosmetic range

Main active molecules: Vitisin A & Vitisin B

Extracted from: French vine roots

Applications: Skin care - Skin lightening & reduction of hyperpigmentation

100% from natural origin

Vitisin A & B > 1%
Advised dose: 1 - 3%

○ **Natural VITISIN[®] 1% Sol.**

INCI Name: Butylene glycol and water and *vitis vinifera* (grape) root extract

COSMOS
APPROVED

○ **Natural VITISIN[®] 1% Sol. (Glycerin)**

INCI Name: Glycerin and water and *vitis vinifera* (grape) root extract

COSMOS
APPROVED

○ **VITISIN[®] (Propanediol)**

INCI Name: Propanediol and water and *vitis vinifera* (grape) root extract

VINIFEROL®

Cosmetic range

Main active molecules: epsilon-Viniferin

Extracted from: French vine shoots

Applications: Body care - Firmness & smooth skin

100% from natural origin

epsilon-Viniferin > 6%
Advised dose: 0.1 - 0.5%

- Natural VINIFEROL®
INCI Name: *vitis vinifera* (grape) vine extract and Inulin

epsilon-Viniferin > 1%
Advised dose: 1 - 3%

- Natural VINIFEROL® 1% Sol.
INCI Name: Butylene glycol and water and *vitis vinifera* (grape) vine extract
- Natural VINIFEROL® 1% Sol. (Propanediol)
INCI Name: Propanediol and water and *vitis vinifera* (grape) vine extract

epsilon-Viniferin > 0.5%
Advised dose: 1 - 3%

- Natural de-colored VINIFEROL® 0.5% Sol. (Glycerin)
INCI Name: Glycerin and water and *vitis vinifera* (grape) vine extract

PRODUCT LIST

Nutricosmetic ingredients

VINEATROL®

Nutricosmetic range

Main active molecules: Resveratrol monomers & oligomers

Extracted from: French vine shoots

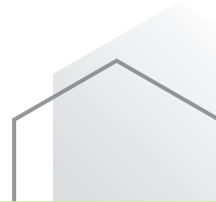

Applications: Dietary supplement - Beauty from within
100% from natural origin

Resveratrol derivatives > 20%
Resveratrol > 5%
epsilon-Viniferin > 5%

- VINEATROL® 20
INCI Name: *vitis vinifera* (grape) vine extract and Maltodextrin

Resveratrol derivatives > 1%
Resveratrol > 0.15%
epsilon-Viniferin > 0.15%

- VINEATROL® WD
INCI Name: Glycerin and water and *vitis vinifera* (grape) vine extract
